

**COMENIUS MULTILATERAL PROJECT
„OPTION VARIETY FOR ENTREPRENEURSHIP”
2013-2015**

**Unemployment and ways of its prevention in our
regions**

Economic characteristics of our regions

It is very important to know each countries economical differencies, situation. You should know how to evaluate them: are they good or bad. When you know them, it is easier to plan the ways of overcoming of the unemployment and social prosperity.

The main objective of the regional policy- clean beautiful, safe, surroundings, friendly communities, people having jobs and their own bussines.

Lifelong
Learning
Programme

Unemployment of the young people is the biggest challenge nowadays.

One of the 5 young people can't get any job in Europe.

Lifelong
Learning
Programme

The search of job is coming longer today: young people graduate from schools and look for job, but it is quite a great problem. In order to solve this problem youth entrepreneurship is emphasized.

Young people have some priority in the search of job: they know foreign languages, have various useful competence, are more energetic.

Lifelong
Learning
Programme

Unemployment and ways of its prevention in the regions are very urgent problems for young people.

Our project aim was to study economic situation in every country, regions, to get acquainted with the young people's unemployment problems and find some ways of solving them.

Lifelong
Learning
Programme

During the project the students from five partners schools cared for the topic of unemployment, selected material about young people's problems, discussed the differences of the economic regions in every country, regions.

Later they generalized experience, the material and made presentations. These presentations were shown at the partners meeting in Oradea, 2014 March 9-14.

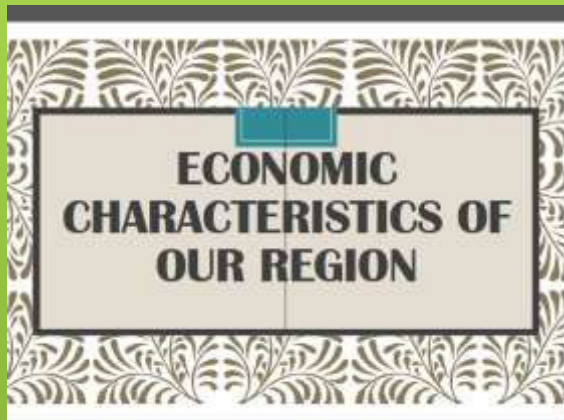

Lifelong
Learning
Programme

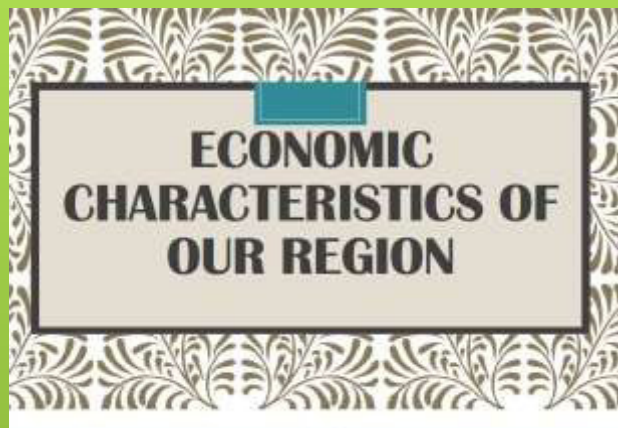

We attach the presentations of every partner school.

Economic characteristics of our regions

Unemployment and ways of its prevention in our regions
